1	Product Model	Type C 2-seater golf cart
2	picture	
3	The key components	
4	Chassis	high strength carbon steel
5	Battery	48V150AH (maintenance free battery) 
6	Motor	AC, 5KW 
7	controller	HERCULES Fully intelligent controller 
8	PARAMETERS	
9	passenger capacity	2
10	Range (based on top speed)	>80
11	top speed	40km/h (Adjustable)
12	Maximum Climbing Degree	25%
14	SIZES	
15	Vehicle size (mm)	2500*1280*2000
16	Minimum ground clearance (mm)	240
17	Wheelbase (mm)	1680
18	Front wheelbase (mm)	720
19	Rear wheelbase (mm)	820
20	BODY	

21	body	PP hard plastic front body + PP hard plastic rear body			
22	ceiling	Engineering hard plastic			
23	steering wheels	carbon fiber			
24	windshield	Foldable			
25	ceiling support	there are			
26	seat belt	Four-seat two-point seat belts			
27	seat	artificial leather			
28	(1) Backrest and seat cushion	Waterproof seat cushion			
29	(2) Handrail	Black PP hard plastic			
30	(3) Bottom shell	PP hard plastic			
31	carpet	Anti-slip floor mat			
32	dash board	forward/backward switch Battery capacity display Bluetooth screen mirroring multi-function software application			
33	USB Port	there are			
34	Carplay	there are			
	Vin number	there are			
35	Coaster	4			
36	wheel eyebrow	PP hard plastic			
37	Electronic control system				
38	Lighting system and speakers	2 headlights, 2 front turn signals, front LED lights, 2 LED taillights (each taillight consists of 1 brake light and 1 turn signal), horn.			
39	reverse alarm	there are			
40	Speaker	there are			
41	charger	Smart charger			
42	driving steering system				
43	vehicle steering system	Self-adjusting rack and pinion			
44	Brake system	四轮碟刹+电磁驻车刹 Four-wheel disc brake + electromagnetic parking brake			
45	Suspension System	Front: MacPherson strut independent suspension Rear: corbel suspension			

46	tires	23X10.5- 14inch	
47	the color of car	All regular colors available
